Dear Sir/Madam

**CONSULTATION: SITES FOR GYPSIES, TRAVELLERS AND TRAVELLING  
SHOWPEOPLE**

You may be aware that the District Council has to identify sites to meet needs for Gypsies and Travellers and Travelling Showpeople. Planning consultants Baker Associates have carried out a study for the Council and, following this, the Council wishes to consult upon the results of that study with the view to agreeing an Interim Policy Statement (IPS).

I am writing to you as you may have an interest in this issue and would like to contribute your views. We are writing to a variety of people including Parish/ Town Councils, District and County Councillors, adjoining Local Authorities, landowners/ occupiers for sites tabled in the consultation document and representative 'stakeholder' groups. The consultation has also been highlighted in our Weekly Planning Bulletin, placed on the Council's website and hard copies distributed to the Council's Area Information Offices in Princes Risborough and Marlow. If you would like to make others aware of this consultation please feel free to pass this information on.

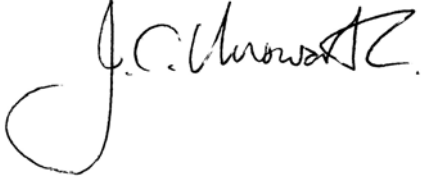

Background information is contained in the IPS consultation document and I would ask that you use the on line consultation survey to register your views, please open [link](#) to view or download both documents. Alternatively, please email or write to us. Details for the return of the consultation are contained in the document.

Please note the deadline for comments is noon, Friday 29 January 2010. Hopefully the consultation document itself will help answer any queries you may have, but if not please contact the Spatial Planning team on 01494 421158.

Thank you for your interest.

Yours faithfully

A handwritten signature in black ink, appearing to read 'J. Unsworth'.

**Jerry Unsworth**
