

**LONGWICK-CUM-ILMER PARISH COUNCIL
MINUTES OF THE PARISH COUNCIL MEETING HELD ON
TUESDAY 18TH APRIL 2017 AT 8.00 PM
IN LONGWICK VILLAGE HALL**

PRESENT

Cllr (Chairman) Val McPherson BEM
Cllrs. Ian Walker, Sally Whitworth, Jane Rogers, Rolf van Apeldoorn and Brian Richards
Clerk Susanne Griffiths
Deputy Clerk Jayne Mylchreest
No members of the public

1. WELCOME AND APOLOGIES FOR ABSENCE

No apologies were received.

2. MINUTES

The Minutes of the previous meeting of the Parish Council on the 21st March 2017 having been circulated were approved by the Meeting and signed by the Chairman.

3. DECLARATIONS OF INTEREST

Members were asked to declare any pecuniary or non-pecuniary declarations of interest and the nature of that interest which they may have in any of the items under consideration at this meeting. None were declared.

4. MATTERS ARISING FROM LAST MEETING NOT OTHERWISE ON THE AGENDA

Transfer of ownership from the Trustees of the Longwick Sports Club of the electricity supply for the playing field (Agenda item No 8 page 942 March 2017)

EON has advised that the account is currently on "Deemed out of contract prices". There is an active meter on site so a standing charge has to be paid .EON advise to contact them as they can offer a better rate and advise approximately how much this may cost per year.

The Trustees has advised that the usage is close to zero as the flood lights are about 3kw and used for about 1 hour a week for 20 weeks, a total of 60kWh, £13 only plus the £100 for the annual standing charge. For the past 3 years the flood lights have not been used.

All present agreed for the Clerk to contact EON to arrange a better rate when the agreement has been signed to take over the assets. **JM**

The Clerk advised that a draft of the agreement is currently being drawn up by the solicitor **SG**

5. A REPORT FROM CLLR BENDYSHE-BROWN (BCC) ON MATTERS CONCERNING LONGWICK-CUM-ILMER PARISH COUNCIL

Cllr B Bendyshe-Brown reported on the following:-

- The pathway between the Green here and the Primary School in Dorrels Road has been resurfaced so that parents can now pass safely through this footpath. Additionally, the ditch has been cleaned out and the nettles and overgrowth cut back so that passersby are not stung any longer.
- The main Thame and Chestnut Way roads have been resurfaced and Ilmer Road has had road repairs carried out in preparation for resurfacing this year.
- Owlswick Road and the road through Meadle (Stockwell Lane) are due to be repaired and resurfaced this coming year.

- The pavement in Bell Crescent has been completely resurfaced and the pavement from Chestnut Way to Walnut Tree Lane is down for resurfacing very shortly. A priority has been placed on this repair as it is a major walkway for schoolchildren.
- The ditch and drains have been cleared in Watery Lane,
The ditch and drains at the bottom end of Bar Lane, where there is extensive annual flooding, to be sorted out this coming year. This has to be a priority before any building work happens on the proposed new development in Bar Lane.
- Speed is a major issue within the village and Cllr Bendyshe-Brown is working on getting 2 permanent Vehicle Activated Signs installed, similar to the one on Thame Road coming into Longwick from Thame, one near Briants and the other on Chestnut Way. In addition the plan is to have the Community Speedwatch in Longwick this coming year to reinforce the speed limit. Volunteers are to help man this but more volunteers are required – so please let Cllr Bendyshe-Brown know if you can help.
- There has been a major issue this past year over the redevelopment of Wellington House from a set of business units to 4 flats. The developer decided that the footway through the property should be closed off which caused a major local uproar as children, mothers and seniors could not safely walk round the outside of the building. After a lot of intervention from BCC Rights of Way the developer reopened the footway and Rights of Way are now making this footway into a permanent feature. The developer also encroached on land included in other owners deeds and has had to reinstate this area
- Work is underway on the number of HS2 HGV lorries that are likely to come through the village after commencement of works on this project. Cllr Bendyshe-Brown will be working closely with the Parish Council on this over the coming couple of years and will keep residents informed of any likely issues to arise.
