## Swing and Spin Accessible play

-  **Inclusive Roundabout**
-  **Nest Swing**

Inclusive play spaces help teach children to value inclusivity and promotes equality at a young age, which has a long-lasting impact on local communities and creates a nurturing environment for all children.

## Sensory Play Pannels

Sensory panels offer an interactive way for children to engage their senses—tactile, auditory, and even visual—helping to develop their sensory processing skills. With vibrant colors, different textures, and various movements, sensory walls can stimulate curiosity and invite exploration.

Your sensory pannels have a frog focus design.
